

## Federal Acquisition Regulation

## 4.1103

*Agreement* means basic agreement, basic ordering agreement, or blanket purchase agreement.

[48 FR 42113, Sept. 19, 1983, as amended at 69 FR 76345, Dec. 20, 2004]

### 4.1102 Policy.

(a) Prospective contractors shall be registered in the CCR database prior to award of a contract or agreement, except for—

(1) Purchases that use a Government-wide commercial purchase card as both the purchasing and payment mechanism, as opposed to using the purchase card only as a payment method;

(2) Classified contracts (*see* 2.101) when registration in the CCR database, or use of CCR data, could compromise the safeguarding of classified information or national security;

(3) Contracts awarded by—

(i) Deployed contracting officers in the course of military operations, including, but not limited to, contingency operations as defined in 10 U.S.C. 101(a)(13) or humanitarian or peacekeeping operations as defined in 10 U.S.C. 2302(7); or

(ii) Contracting officers in the conduct of emergency operations, such as responses to natural or environmental disasters or national or civil emergencies, e.g., Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121);

(4) Contracts to support unusual or compelling needs (*see* 6.302-2);

(5) Awards made to foreign vendors for work performed outside the United States, if it is impractical to obtain CCR registration; and

(6) Micro-purchases that do not use the electronic funds transfer (EFT) method for payment and are not required to be reported (*see* subpart 4.6).

(b) If practical, the contracting officer shall modify the contract or agreement awarded under paragraph (a)(3) or (a)(4) of this section to require CCR registration.

(c)(1)(i) If a contractor has legally changed its business name, “doing business as” name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-

name agreements in Subpart 42.12, the contractor shall provide the responsible contracting officer a minimum of one business day’s written notification of its intention to change the name in the CCR database; comply with the requirements of Subpart 42.12; and agree in writing to the timeline and procedures specified by the responsible contracting officer. The contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the contractor fails to comply with the requirements of paragraph (g)(1)(i) of the clause at 52.204-7, Central Contractor Registration, or fails to perform the agreement at 52.204-7(g)(1)(i)(C), and, in the absence of a properly executed novation or change-of-name agreement, the CCR information that shows the contractor to be other than the contractor indicated in the contract will be considered to be incorrect information within the meaning of the “Suspension of Payment” paragraph of the EFT clause of the contract.

(2) The contractor shall not change the name or address for electronic funds transfer payments (EFT) or manual payments, as appropriate, in the CCR record to reflect an assignee for the purpose of assignment of claims (*see* subpart 32.8, Assignment of Claims).

(3) Assignees shall be separately registered in the CCR database. Information provided to the contractor’s CCR record that indicates payments, including those made by EFT, to an ultimate recipient other than that contractor will be considered to be incorrect information within the meaning of the “Suspension of payment” paragraph of the EFT clause of the contract.

### 4.1103 Procedures.

(a) Unless the acquisition is exempt under 4.1102, the contracting officer—

(1) Shall verify that the prospective contractor is registered in the CCR database (*see* paragraph (b) of this section) before awarding a contract or agreement. Contracting officers are encouraged to check the CCR early in the

acquisition process, after the competitive range has been established, and then communicate to the unregistered offerors that they must register;

(2) Should use the DUNS number or, if applicable, the DUNS+4 number, to verify registration—

(i) Via the Internet at <http://www.ccr.gov>;

(ii) By calling toll-free: 1-888-227-2423, commercial: (269) 961-5757, or Defense Switched Network (DSN) (used at certain Department of Defense locations): 932-5757; or

(iii) As otherwise provided by agency procedures; and

(3) Need not verify registration before placing an order or call if the contract or agreement includes the clause at 52.204-7, or 52.212-4(t), or a similar agency clause.

(b) If the contracting officer, when awarding a contract or agreement, determines that a prospective contractor is not registered in the CCR database and an exception to the registration requirements for the award does not apply (see 4.1102), the contracting officer shall—

(1) If the needs of the requiring activity allow for a delay, make award after the apparently successful offeror has registered in the CCR database. The contracting officer shall advise the offeror of the number of days it will be allowed to become registered. If the offeror does not become registered by the required date, the contracting officer shall award to the next otherwise successful registered offeror following the same procedures (*i.e.*, if the next apparently successful offeror is not registered, the contracting officer shall advise the offeror of the number of days it will be allowed to become registered, etc.); or

(2) If the needs of the requiring activity do not allow for a delay, proceed to award to the next otherwise successful registered offeror, provided that written approval is obtained at one level above the contracting officer.

(c) Agencies shall protect against improper disclosure of contractor CCR information.

(d) The contracting officer shall, on contractual documents transmitted to the payment office, provide the DUNS
